

Info rekkorder

Style

rekkorder deliver a powerful blend of Alternative Rock and Nu Metal – catchy, energetic, and straight to the point. With a fierce female voice, heavy riffs, and tons of groove, they captivate their audience from the very first second.

Whether it's rocking out, headbanging, or dancing – no one stands still at a rekkorder show, on or off stage.

With over 150 shows across Germany and abroad, one thing is clear: this band brings serious live energy!
